FOR IMMEDIATE RELEASE: November 18, 2009; Rush County, Indiana.

Parents of school age children and young adults please be advised that the H1N1 vaccine is available at the Courthouse. It has been determined that the local health department will not be setting up clinics at your local schools. To get your children vaccinated, you must come to the Rush County Courthouse, between 8a.m.-12:00 Noon, Saturday, November 21, 2007. Children under 18 years of age must have a parent or guardian's signature giving permission to receive the vaccine.

This clinic will target the following groups directed by the CDC Guidelines:

- Pregnant Women
- Healthcare and Emergency Medical Services Personnel
- People living with, or caring for infants younger than 6 months of age
- Children from 6 months up through 24 years of age
- People 25 to 64 years, with chronic medical conditions

This clinic will be on a first come, first serve basis. Entrance to the clinic will be through the west door entrance only (Main Street entrance), which is handicap accessible for anyone needing this service.
